

Circulating Registered Nurse – Acute Mental Health & Addiction Services

1. PURPOSE OF POSITION

Taranaki District Health Board is the primary provider of health services to the people of Taranaki. Its vision is “Taranaki Together, A Healthy Community, Taranaki Whanui, He Rohe Oranga”.

The Circulating RN will support the normal service delivery of Te Puna Waiora and the Assessment & Brief Care Team over the course of the duty and will respond to service delivery needs in either team in a responsive, positive and expedient manner.

The Registered Nurse will provide optimum care utilising nursing knowledge and skills to Service Users/Tangata Whaiora within Te Puna Waiora as well as undertake assessments within the Emergency Department or New Plymouth Police Station. It may also be necessary to provide off site assessments with another staff member in times of urgent need.

The Registered Nurse will also provide appropriate supervision and direction to Enrolled Nurses, Support Workers and Psychiatric Assistants/Healthcare Assistants performing delegated Service User/Tangata Whaiora care tasks, working within the same team. The degree of direction and supervision required is determined by the professional judgment of the Registered Nurse providing the supervision.

The Registered Nurse is expected to be available for rostered duties as directed by the Acute Services Manager or his/her designate. Liaise with the appropriate Associate Clinical Nurse Manager in regard to any nursing, risk management, equipment maintenance, quality improvement or Service User/Tangata Whaiora safety issues and ensure efficient and effective use of all consumables.

2. ORGANISATIONAL VALUES

The Taranaki District Health Board (TDHB) is committed to the strategic actions and behaviours of ‘Work Together’:

- Treating people with trust, respect and compassion
- Communicating openly, honestly and acting with integrity
- Enabling professional and organisational standards to be met
- Support achievement and acknowledging successes
- Creating healthy and safe environments
- Welcoming new ideas

	<p>demonstrate relevant new knowledge.</p> <ul style="list-style-type: none">• Undertakes self directed learning as appropriate as a range of forums/meetings to ensure broad sector knowledge is developed and maintained• Achieves and then maintains clinical practice (at least) at Competent level of the Nursing Professional Development and Recognition Programme (PDRP)

6. VARIATION TO DUTIES

Duties, responsibilities and functional relationships described above should not be construed as a complete and exhaustive list as it is not the intention to limit in any way the scope or functions of the position. Duties and responsibilities can be amended from time to time either by additional, deletion or straight amendment to meet any changing conditions, however this will only be done in consultation with the employee.

7. CAPABILITY REQUIREMENTS

Capabilities are the behaviours demonstrated by a person performing the job. Capabilities identify what makes a person most effective in a role. Those listed below are expected for the **Acute Services Mental Health** team roles in the organisation. The required capabilities can change as the organisation develops and the roles change.

Capability
<p>Respect Service users are the focus of MH&A practice. Respects the diversity and values of service users and colleagues.</p>
<p>Service We are committed to delivering an excellent service for all service users. This includes service user partnerships at all levels and phases of service delivery, including the choice of services available as well as the actual delivery of service.</p>
<p>Recovery We believe and hope that every service user can live a full and meaningful life in the presence or absence of their mental illness and /or addiction. We also understand that recovery is not only related to the mental illness and/or addiction itself, but also to all of the losses associated with it.</p>
<p>Effective Communication Shares well thought out, concise and timely information with others using appropriate mediums. Ensures information gets to the appropriate people within the organisation to facilitate effective decision making. Acts professional and treats others with respect.</p>
<p>Decision Making / Problem Solving Demonstrates effective and timely decision making / problem solving techniques. Aware of the impact of decisions on key stakeholders and consults as appropriate utilizing available resources. Is proactive and effective when problem solving is required. Ensures decision making complies with organisational strategies and changes.</p>
<p>Commitment to Excellence Sets challenging goals for personal achievement and continually strives to reach or exceed them in the pursuit of excellence. Seeks opportunities to improve their performance and seeks feedback to measure and improve how they are doing. Focuses on results rather than on efforts.</p>
<p>Life-long / Ongoing Learning Demonstrates a commitment to and takes responsibility for ongoing professional development. Is constantly striving to acquire and maintain knowledge, skills or experience related to the position.</p>
<p>Innovation / Initiative Continually strives for new and improved work processes that will result in greater effectiveness and efficiencies. Questions traditional ways of doing things when choosing a course of action or finds new combinations of old elements to form an innovative solution.</p>
<p>Resilience / Flexibility Articulates differing perspectives on a problem and will see the merit of alternative points of view. Will change or modify own opinions and will switch to other strategies when necessary. Adjusts behaviour to the demands of the work environment in order to remain productive through periods of transition, ambiguity, uncertainty and stress. Manages cultural ambiguity and conflicting priorities well.</p>

Circulating Registered Nurse

Capability
Cultural Safety Demonstrates a commitment to cultural safety by meeting and exceeding the cultural needs of Tangata Whaiora/Service Users / whanau / customers / colleagues. Understands concepts of whanaungatanga and manaakitanga and Maori cultural orientation to whanau, hapu and iwi.
Human rights Uphold the human rights of service users and their families. Human rights include, but are not limited to, the right to autonomy and self-determination, the right to be free from coercion, the right to be treated in a non-discriminatory way, the right to informed consent, and the right to receive care and support that responds to the physical, psychological, spiritual, intellectual and cultural needs of the service user
Communities Values communities – the many places in which we all live, move and have our being – as pivotal resources for the effective delivery of services and support for service users and their families/whānau.
Teamwork Works to build team spirit, facilitates resolution of conflict within the team, promotes/protects team reputation, shows commitment to contributing to the teams success.

8. EDUCATION

Bachelor of Nursing or equivalent qualification
Registered Nurse with current practicing certificate with the Nursing Council of NZ
Relevant post-graduate qualification in Mental Health Nursing

9. SKILLS

Computer literate
Proficient knowledge of Outlook, MS work, Power point, IBA WebPass & MH Smart IT Systems
Current NZ Drivers licence
Excellent time management skills
Highly adaptable and flexible to suit various acute Nursing roles with associate clinical skills

10. EXPERIENCE

Must have 2 years Acute Mental Health Nursing experience
Proficient risk and MSE assessment skills demonstrable across various settings
Experience utilising a varied knowledge base of talking therapy techniques such as Motivational Interviewing, CBT and DBT techniques and mindfulness knowledge
Excellent understanding of Mental Health (Compulsory Assessment & Treatment) Act (1992) and it's application
