

Pou Arataki, Pae Ora

1. PURPOSE OF POSITION

The Pou Arataki, Pae Ora is responsible for providing leadership in integrating Māori cultural values and practice across the TDHB's provider arm services. A key function of the role is to develop, advocate, guide and support the provision of culturally appropriate clinical care, quality and safety and practice standards across the DHB's hospital Services to improve access and outcomes for Maori.

As a member of Te Pa Harakeke and wider hospital management teams, this role works in partnership with service managers, senior medical, nursing and allied health staff to socialise, implement and embed approaches that contribute to the attainment of Pae Ora¹ healthy futures for whanau.

Te Pou Arataki, Pae Ora is expected to play a key role in exemplifying the organisational values within a tikanga Maori context.

2. ORGANISATIONAL VALUES

The Taranaki District Health Board (TDHB) is committed to the following values:

- Whakawhanaungatanga
- Mahakitanga
- Mana motuhake
- Manawanui
- Manaakitanga

¹ **Mauri Ora:** Every health intervention is an opportunity to shift a mauri that is languishing to a mauri that is flourishing. Fostering healthy lifestyles, increasing health literacy, strengthening identity, encouraging self management and restoring dignity must be considered when treating health problems;

Whanau Ora: Every service offered or funded by the DHB should contribute knowledge and skills that empower whānau to understand and manage their own health conditions. The transfer of knowledge and skills in a way that enables integration into routine whānau practices is a key function of Whānau Ora health service provision;

Wai Ora: Health interventions must take into account the nature and interaction between people and the surrounding environments. Interventions should avoid or reduce **risk factors**, and strengthen **protective factors**.

6. VARIATION TO DUTIES

Duties and responsibilities described above should not be construed as a complete and exhaustive list as it is not the intention to limit in any way the scope or functions of the position. Duties and responsibilities can be amended from time to time either by additional, deletion or straight amendment to meet any changing conditions, however this will only be done in consultation with the employee.

7. CAPABILITY REQUIREMENTS

Capabilities are the behaviours demonstrated by a person performing the job. Capabilities identify what makes a person most effective in a role. Those listed below are expected for the Program Office team roles in the organisation. The required capabilities can change as the organisation develops and the roles change.

<p>Cultural Safety</p> <p>Understands the unique position of Māori as tangata whenua of Aotearoa New Zealand under the Treaty of Waitangi, understands the determinants of ethnic inequalities in health and is an advocate for addressing personal and systemic barriers for and by Māori; Comfortably role models excellence in the practice of tikanga Māori in both Māori and non-Māori environments; Articulates a very good understanding of the principles of effective engagement with Māori and with people of other cultures; Demonstrates integrity, sincerity and respect towards Māori beliefs, te reo and culture.</p>
<p>Provides vision and leadership</p> <p>Creates and communicates a compelling vision of the future; Translates the vision into clear and meaningful strategies and specific priorities, which help others to focus their efforts; Demonstrates a willingness to assist others in their cultural growth and development.</p>
<p>Effective Communication</p> <p>Shares well thought out, concise and timely information with others using appropriate mediums; Ensures information gets to the appropriate people within the organisation to facilitate effective decision making; Understands te reo Māori and is articulate in English in writing and verbally.</p>

Pou Arataki, Pae Ora

<p>Decision Making/Problem Solving</p> <p>Demonstrates effective and timely decision making/problem solving techniques; Aware of the impact of decisions on key stakeholders and consults as appropriate utilising available resources; Is proactive and effective when problem solving is required; Is able to effectively manage tensions between tikanga Māori and non-Māori approaches and/or models of practice.</p>
<p>Innovation/Initiative</p> <p>Continually strives for new and improved processes that will result in greater efficiencies and effectiveness for Māori; Questions traditional ways of doing things when choosing a course of action or finds new combinations to form innovative solutions.</p>
<p>Planning and Implementation</p> <p>Co-ordinates multiple complex issues/projects, links actions to vision/goal, and manages competing demands for resources alongside monitoring and evaluating the impact of change upon the system.</p>
<p>Goals and Achievements</p> <p>Willing to take calculated risks to improve the performance of the organisation; Will drive through actions and aims to achieve outcomes.</p>
<p>Resilience/Flexibility</p> <p>Articulates differing perspectives on a problem and will see the merit of alternative points of view; Will change or modify own opinions and will switch to other strategies when necessary; Adjusts behaviour to the demands of the work environment in order to remain productive through periods of transition, ambiguity, uncertainty and stress.</p>
<p>Teamwork</p> <p>Works to build team spirit, facilitates resolution of conflict within the team, promotes/protects team reputation, shows commitment to contributing to the team's success; Willingness to assist others in their cultural growth and development.</p>
<p>Lifestyle</p> <p>Is a non-smoker and role models positive lifestyle choices; Is confident and an active participant in Maori society.</p>

8. EDUCATION

<ul style="list-style-type: none">• The Pou Arataki, Pae Ora is required to be an experienced and capable clinician with either a relevant medical, nursing or allied health qualification;• Has at least five years clinical practice in clinical settings and hospital settings;• Has at least 5 years leadership/management experience;• Evidence of training or self-directed learning in Whānau Ora service delivery models.
--

9. SKILLS

- Skilled and capable clinician, with a strong Māori cultural knowledge base and the skills relevant for leading the integration of cultural best practice within clinical care;
- Demonstrated knowledge of and ability to articulate the elements of Pae Ora and how to give effect to them in a practical sense;
- Highly developed knowledge base regarding assessment, planning, treatment, and evaluation skills;
- Demonstrates ability to work with and effectively lead multidisciplinary activities;
- Consistently practices in a culturally safe, negotiated and therapeutic partnership with the client/family/whanau /health team members, recognising and respecting the boundaries of the professional relationship and promoting participation in recovery;
- Practice reflects established standards of practice for the relevant discipline and incorporates contemporary evidence base;
- New Zealand Driver's Licence.

10. EXPERIENCE

- Management experience ideally but not necessarily in a hospital setting
- Extensive experience leading teams and working in effective partnerships to improve outcomes for Maori
- Experience with co-design, design-thinking or service improvement methodologies would be an advantage though not essential
