REGISTERED NURSE – ASSESSMENT & BRIEF CARE TEAM  
(MENTAL HEALTH & ADDICTION SERVICES)

1. PURPOSE OF POSITION

The Registered Nurse will provide optimum care utilising nursing knowledge and skills to Service Users/Tangata Whaiora accessing Mental Health & Addiction Services.

The Assessment & Brief Care Team (ABC Team) provides a 24 hour, 7 day per week mobile service undertaking assessments, triage and brief interventions for the people of Taranaki. Referrals into the ABC Team will be triaged, prioritised and an appropriate response based on the presenting need actioned. Brief interventions for people referred may be a single phone consult, assessment, intensive short term at home support, assisted referral to primary services or short term follow up not longer than 2-3 months.

The Registered Nurse will provide triage, assessment and brief care functions within ABC Team operating on a roster covering mornings, afternoons and nights. The Registered Nurse will also hold Duly Authorised Officer status and as such will perform the functions and duties outlined in the Mental Health (Compulsory Assessment & Treatment) Act 1992 (These are further clarified in the Ministry of Health publication “Guidelines for the Role and Function of Duly Authorised Officers” 2012).

The Registered Nurse will also provide appropriate supervision and direction to Support Workers and Psychiatric Assistants performing delegated Service User/Tangata Whaiora care tasks, working within the same team. The degree of direction and supervision required is determined by the professional judgment of the Registered Nurse providing the supervision.

The Registered Nurse is expected to be available for rostered duties and on call work as directed by the Acute Services Manager or his/her designate. Liaises with the Associate Clinical Nurse Manager in regard to any nursing, risk management, equipment maintenance, quality improvement or Service User/Tangata Whaiora safety issues and ensure efficient and effective use of all consumables.

2. ORGANISATIONAL VALUES

The Taranaki District Health Board’s (DHB) our mission (Te Kaupapa) is improving, promoting, protecting and caring for the health and well-being of the people of Taranaki. Taranaki DHB’s values define who we are as an organisation, the way we work with each other, our patients, whanau and external partners. Our Te Ahu Taranaki DHB values are:

Organisational Accountabilities | Expected Outcome for all employees
--- | ---

- Willing to accept new responsibilities, acquire and demonstrate relevant new knowledge.
- Undertakes self directed learning as appropriate as a range of forums/meetings to ensure broad sector knowledge is developed and maintained
- Achieves and then maintains clinical practice (at least) at Competent level of the Nursing Professional Development and Recognition Programme (PDRP)

6. **VARIATION TO DUTIES**

Duties, responsibilities and functional relationships described above should not be construed as a complete and exhaustive list as it is not the intention to limit in any way the scope or functions of the position. Duties and responsibilities can be amended from time to time either by additional, deletion or straight amendment to meet any changing conditions, however this will only be done in consultation with the employee.

7. **CAPABILITY REQUIREMENTS**

Capabilities are the behaviours demonstrated by a person performing the job. Capabilities identify what makes a person most effective in a role. Those listed below are expected for the Assessment & Brief Care Team roles in the organisation. The required capabilities can change as the organisation develops and the roles change.

<table>
<thead>
<tr>
<th>Capability</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Respect</td>
<td>Service users are the focus of MH&amp;A practice. Respects the diversity and values of service users and colleagues.</td>
</tr>
<tr>
<td>Service</td>
<td>We are committed to delivering an excellent service for all service users. This includes service user partnerships at all levels and phases of service delivery, including the choice of services available as well as the actual delivery of service.</td>
</tr>
<tr>
<td>Recovery</td>
<td>We believe and hope that every service user can live a full and meaningful life in the presence or absence of their mental illness and/or addiction. We also understand that recovery is not only related to the mental illness and/or addiction itself, but also to all of the losses associated with it.</td>
</tr>
<tr>
<td>Effective Communication</td>
<td>Shares well thought out, concise and timely information with others using appropriate mediums. Ensures information gets to the appropriate people within the organisation to facilitate effective decision making. Acts professional and treats others with respect.</td>
</tr>
<tr>
<td>Decision Making / Problem Solving</td>
<td>Demonstrates effective and timely decision making / problem solving techniques. Aware of the impact of decisions on key stakeholders and consults as appropriate utilizing available resources. Is proactive and effective when problem solving is required. Ensures decision making complies with organisational strategies and changes.</td>
</tr>
<tr>
<td>Commitment to Excellence</td>
<td>Sets challenging goals for personal achievement and continually strives to reach or exceed them in the pursuit of excellence. Seeks opportunities to improve their performance and seeks feedback to measure and improve how they are doing. Focuses on results rather than on efforts.</td>
</tr>
</tbody>
</table>
### Capability

<table>
<thead>
<tr>
<th>Capability</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Life-long / Ongoing Learning</strong></td>
<td>Demonstrates a commitment to and takes responsibility for ongoing professional development. Is constantly striving to acquire and maintain knowledge, skills or experience related to the position.</td>
</tr>
<tr>
<td><strong>Innovation / Initiative</strong></td>
<td>Continually strives for new and improved work processes that will result in greater effectiveness and efficiencies. Questions traditional ways of doing things when choosing a course of action or finds new combinations of old elements to form an innovative solution.</td>
</tr>
<tr>
<td><strong>Resilience / Flexibility</strong></td>
<td>Articulates differing perspectives on a problem and will see the merit of alternative points of view. Will change or modify own opinions and will switch to other strategies when necessary. Adjusts behaviour to the demands of the work environment in order to remain productive through periods of transition, ambiguity, uncertainty and stress. Manages cultural ambiguity and conflicting priorities well.</td>
</tr>
<tr>
<td><strong>Cultural Safety</strong></td>
<td>Demonstrates a commitment to cultural safety by meeting and exceeding the cultural needs of Tangata Whaiora/Service Users / whanau / customers / colleagues. Understands concepts of whanaungatanga and manaakitanga and Maori cultural orientation to whanau, hapu and iwi.</td>
</tr>
<tr>
<td><strong>Human rights</strong></td>
<td>Uphold the human rights of service users and their families. Human rights include, but are not limited to, the right to autonomy and self-determination, the right to be free from coercion, the right to be treated in a non-discriminatory way, the right to informed consent, and the right to receive care and support that responds to the physical, psychological, spiritual, intellectual and cultural needs of the service user.</td>
</tr>
<tr>
<td><strong>Communities</strong></td>
<td>Values communities – the many places in which we all live, move and have our being – as pivotal resources for the effective delivery of services and support for service users and their families/whānau.</td>
</tr>
<tr>
<td><strong>Teamwork</strong></td>
<td>Works to build team spirit, facilitates resolution of conflict within the team, promotes/protects team reputation, shows commitment to contributing to the teams success.</td>
</tr>
</tbody>
</table>

### Education

- Bachelor of Nursing or equivalent qualification
- Registered Nurse with current practicing certificate with the Nursing Council of NZ

- Must have 2 years Acute Mental Health Nursing experience
- Proficient risk and MSE assessment skills demonstrable across various settings
- Experience utilising a varied knowledge base of talking therapy techniques such as Motivational Interviewing, CBT and DBT techniques and mindfulness knowledge
- Excellent understanding of Mental Health (Compulsory Assessment & Treatment) Act (1992) and it’s application

Seven Real Skills for Mental Health workers

Working with service users
Every person working in a mental health and addiction treatment service uses strategies to engage meaningfully and work in partnership with service users, and focuses on service users’ strengths to support recovery.

Working with Māori
Every person working in a mental health and addiction treatment service contributes to whānau ora for Māori.

Working with families/whānau
Every person working in a mental health and addiction treatment service encourages and supports families/whānau to participate in the recovery of service users and ensures that families/whānau, including the children of service users, have access to information, education and support.

Working within communities
Every person working in a mental health and addiction treatment service recognises that service users and their families/whānau are part of a wider community.

Challenging stigma and discrimination
Every person working in a mental health and addiction treatment service uses strategies to challenge stigma and discrimination, and provides and promotes a valued place for service users.

Law, policy and practice
Every person working in a mental health and addiction treatment service implements legislation, regulations, standards, codes and policies relevant to their role in a way that supports service users and their families/whānau.

Professional and personal development
Every person working in a mental health and addiction treatment service actively reflects on their work and practice and works in ways that enhance the team to support the recovery of service users.
