	<ul style="list-style-type: none">• Participates in the performance appraisal process where personal performance and development is reviewed.• Willing to accept new responsibilities, acquire and demonstrate relevant new knowledge.

6. VARIATION TO DUTIES

Duties and responsibilities described above should not be construed as a complete and exhaustive list as it is not the intention to limit in any way the scope or functions of the position. Duties and responsibilities can be amended from time to time either by additional, deletion or straight amendment to meet any changing conditions, however this will only be done in consultation with the employee.

Therapy Assistant

7. CAPABILITY REQUIREMENTS

Capabilities are the behaviours demonstrated by a person performing the job. Capabilities identify what makes a person most effective in a role. Those listed below are expected for the **Occupational Therapy and Physiotherapy** and Speech Language Therapy team roles in the organisation. The required capabilities can change as the organisation develops and the roles change.

Capability
Effective Communication Shares well thought out, concise and timely information with others using appropriate mediums. Ensures information gets to the appropriate people within the organisation to facilitate effective decision making
Decision Making/Problem Solving Demonstrates effective and timely decision making/problem solving techniques. Aware of the impact of decisions on key stakeholders and consults as appropriate utilizing available resources. Is proactive and effective when problem solving is required.
Innovation/Initiative Continually strives for new and improved work processes that will result in greater effectiveness and efficiencies. Questions traditional ways of doing things when choosing a course of action or finds new combinations of old elements to form an innovative solution.
Resilience/Flexibility Articulates differing perspectives on a problem and will see the merit of alternative points of view. Will change or modify own opinions and will switch to other strategies when necessary. Adjusts behaviour to the demands of the work environment in order to remain productive through periods of transition, ambiguity, uncertainty and stress.
Cultural Safety Demonstrates a commitment to cultural safety by meeting and exceeding the cultural needs of clients/customers/colleagues. Manages cultural ambiguity and conflicting priorities well. Understands concepts of whanaungatanga and manaakitanga and Maori cultural orientation to whanau, hapu and iwi.
Teamwork Works to build team spirit, facilitates resolution of conflict within the team, promotes/protects team reputation, shows commitment to contributing to the teams success
