

South Taranaki

Alive with opportunities for better health care

Taranaki Ki Te Tonga Health Forum update

October 2021

Taranaki DHB is committed to improving communication with South Taranaki people through the Taranaki Ki Te Tonga health forum

See & Treat Service

- Is growing

COVID-19 Planning

- Good to see COVID-19 planning at Taranaki DHB and GPs

COVID-19 Vaccinations

- Importance of vaccinations and communication coming out from this group

Health Reforms

- Who are the key people in the community to get together to talk about health reforms and how to improve health for our community
- To compile a directory of those services
